Edition 1

Week 1—June 9 thru
June 13, 2008

Welcome to Camp!

The Monica Lamb Wellness is proud to host its 3rd Summer Enrichment Program at St. Philip Neri Catholic Church. Welcome back to all of our returning families and Welcome to all of the new comers. We are anticipating a wonderful camp session this year. As always, we are grateful for the opportunity to partner with you in pursuit of a fun and educational summer vacation for your child.

Please look for a new edition of the 'Summer Time News' from us each week on Monday. We will keep you abreast of our weekly activities and send out reminders of upcoming events for the week thru this weekly newsletter.

Camp Theme: The Lion King

The theme for Summer Camp this year is Disney's 'The Lion King'. We will dedicate special projects, programs and invited guests to this theme. Each camper will receive a copy of the 'script' we will use for our end-of-summer production of the play. We will also use this same 'script'

for the weekly spelling bee on Friday mornings. You will note that some of the field trips go along with the theme as well especially the camping trip at the end of our summer session. We have also partnered with the Christian Outdoors Coalition and they will come out on each Tuesday afternoon to provide Fishing and Camping lessons. By the end of

the summer all of our campers will be certified by the state in Angler Education. Isn't that awesome? Each camper will participate in our stage production of 'The Lion King' and we are excited and hopeful that you will clear your calendar to attend the show at the end of summer (refer to the calendar on Page 3).

Space Still Available!

Don't keep all the fun and learning to yourself. Refer a friend or relative (who is not already enrolled) and receive a 10% discount or 10% refund!

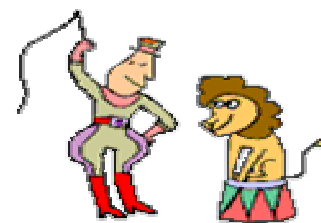

Lunch Time!

Feeding our Cubs!

Lunch time is 12 noon each day. We cover quite a bit in our academic day before lunch is served, so please make sure your child has breakfast before you bring them to camp. They will learn better if they have some energy fuel to burn during those early hours in the class room.

Also, lunch is provided for all

campers, but if your child has any special and precise dietary needs, you will need to bring a lunch for him/her. We will be glad to store their lunch in a cool place until it is time to chow down.

**Taming the Hunger
can be a Beast!**

Mosquitoes, Ants and Hyenas!

Ok, I know there is no real chance that any of our cubs could be sidelined by Hyenas (I just wanted to see how many of you really read). Seriously though, this is a 'Wellness Program', so we will go outdoors as our calendar and schedule permits. So please send with your

child all of the bug spray, skin potions or magical concoctions he/she will need. Please make sure that he/she has any asthma medication needed as well. Please make sure they are clearly marked with your child's name. We will collect these items and store them in our 'office'

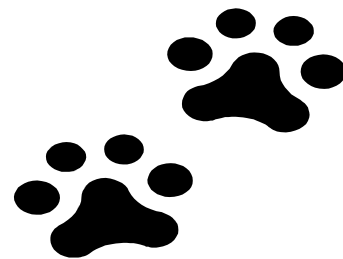

**"Help us to make this a fun,
fit, safe and educational
Summer Camp experience"**

and dispense according to your instructions.

Lion King Script

As mentioned on page 1, we will be performing a production of the Lion King at the end of camp. Each camper will participate in the production—either as a cast member, song team, stage hand, audio/visual team, or stage and costume design group. We will give each child a copy of the script we will use along with the words to all songs and a compact disc with the music on it. Please encourage your child to keep up with these supplies and help them to learn their lines and music. We

will also get the words for the weekly spelling bee from this script. So it is important to keep up with them. Camper's who keep up with their original assigned script will get a bonus at the end of camp and campers who need a replacement script will be charged \$2.00 for replacements.
