Promoting Health and Wellness with Women and Children

Week 3 was a Blast!

Week 3 marked the end of the first session of summer camp and we had a blast! We spent some time learning and playing volleyball. Our visit to the Houston Zoo was wonderful. We also sharpened our skills at setting up camping tents. We were able to complete the auditions for the Lion King—WOW, we have some very talented actors and actresses in this group! Remember that all campers will participate in the production so please encourage you young ones to continue to learn the music and script!

Our campers had a fun time making their own tie-dye shirts!

All in all it was a great time!
